AUTHORITY IN ACTION

Experience that travels

A recruitment partner for employers and licensed agencies that need evidence, readiness and clear ownership.

Over the past 16 years, HReasy Nepal has deployed 1,000+ workers to Türkiye, including Istanbul Airport, hydroelectric power plants in Konya, marble mines in Denizli, steel manufacturing and mining projects.

More than 4,000 additional workers have been deployed to Greece, Cyprus, Romania, the UAE, Saudi Arabia and other international markets.

16+

years of global
recruitment

118+

clients across Türkiye,
Gulf and Europe

5,000+

workforce deployed

15–45

days indicative
deployment timeline

Indicative timeline depends on candidate availability, employer readiness, permits and government processing.

Recruitment built around evidence

A Kathmandu-led team connects screened workers with employers and licensed recruitment partners abroad.

HReasy Nepal Pvt. Ltd. is a Nepal Government-authorized manpower agency. Recruiters, trade assessors and documentation officers work as one team so employers can review real evidence before they shortlist.

WHY EMPLOYERS CHOOSE US

- Employer and agency verification before recruitment begins
- Every published profile is interviewed, skill-checked and document-verified
- Trade videos available for suitable roles and candidates
- Clear contact person and visible six-step process
- Ethical preparation, orientation and arrival follow-up

Our operating principle

**Employers should see the skill before the interview.
Workers should travel prepared and informed.**

The people behind the work

Skilled, semi-skilled and entry-level workers for the industries that keep projects moving.

BLUE-COLLAR WORKFORCE

Skilled

Semi-skilled

Entry-level / unskilled

Welders · CNC and lathe operators
Forklift and press operators
Automotive workers and mechanics

INDUSTRIES

**Manufacturing
Construction
Infrastructure
Logistics
Hospitality
Mining and other industries**

**BROWSE TRADE VIDEOS BY
SCANNING THE QR**

Candidate profiles and trade videos can be shared for review depending on role and availability.

Six steps from demand to deployment

A clear route, with responsibility visible at every stage.

01

Employer shares demand

Roles, headcount, destination and terms.

EMPLOYER

02

Candidates sourced

Matched from screened workers in South Asia.

HREASY

03

Screening and verification

Trade checks, videos and document review.

HREASY

04

Review and interview

Shortlist by profile, video call or in person.

EMPLOYER

05

Offer, permits and travel

Documentation coordinated together.

TOGETHER

06

Deployment and follow-up

Prepared arrival and post-arrival check-ins.

HREASY

Indicative deployment timeline: 15–45 days for suitable requirements, subject to availability, employer readiness, permits and government processing.

Prepared workers. Accountable delivery.

Support continues from the first demand conversation through arrival and follow-up.

WHAT WE COORDINATE

- Workforce sourcing and matching
- Employer and agency verification
- Trade tests, profiles and videos
- Interview coordination
- Training and orientation where required
- Permits, travel and deployment follow-up
